This quick guide is to be used if you have not created your Apple ID.

Before your start you will need
- A PC or Mac with a web browser
- An active email address

1. From your computer open your web browser and enter the URL https://appleid.apple.com

2. Create Your Apple ID

3. Complete the form
   You only need one Apple ID to access all Apple services. Your email address will be used as your Apple ID.

4. Verify Your Email
   You will be sent a verification code to the email address you entered.

   Enter the confirmation code that you have received

5. Your Apple ID is now created

   Your Password must be at least 8 characters
   Contains at least one uppercase letter and one lowercase letter
   Contains at least one number
