Unfortunately there is no single book that covers the entire contents of this module and as such, the following may be used for referencing for individual topics.
What is a journal article?

A journal is an academic magazine.

- Published on a regular basis
- Generally every 3-4 months
- Focusses on a particular subject or area of research

An article is a piece of writing or essay or case study.

- Several articles in each issue of magazine
- Different articles in each issue
