Visitor Wi-Fi access

Visitors to London South Bank University now have access to Wi-Fi. Once you have registered you will be given a password for the Wi-Fi that will last for 24 hours.

How to gain access

From your Wi-Fi settings choose LSBU_Visitor. Once you have selected this connection you will be forwarded to the registration page.

Enter in your Name then your Email Address.
Once you have ticked the box (to accept the terms and conditions) you will be given a password for the LSBU_Visitor connection.

Select the Log in button. You now get confirmation that you are connected to the LSBU_Visitor network.
