Current Awareness on Westlaw UK enables you to stay up to date with the very latest developments. Current Awareness can be accessed by using the link on the main toolbar.

At the bottom of the Current Awareness page is a Key Dates calendar. Clicking on a date will tell you about that day's developments.

You can click the link to see more information about the development and even add relevant dates to your Outlook calendar.

When searching or browsing content by Document Type or by Most Recently added/Best of the last 5 days, you can use Filters on the left to refine content by Topic, type of content, jurisdiction and apply a date filter.

You can also use the box at the top to search for a word or phrase within the content.

When you browse by Topic, you will be taken to a page where you can quickly identify and view all the latest content, from press releases to recent Cases. You can also save these pages as Favourites, set as your homepage or create a link to this page. Each Topic page also has its own Key Dates Calendar.

Go to the search box and enter your search terms to search across current awareness content or click on a link to browse by content type or topic.
